Dear Parents/Carers,

Elder class will be doing forest school this term, starting on the 4th November (Tuesday)

For these sessions, the children will need old, comfortable and warm clothes (clothes you don't mind getting muddy or stained), wellies and a rain jacket. We will endeavour to go out whatever the weather so it's crucial the children are dressed appropriately. **As usual, the children will come to school in their forest school clothes.** If their wellies are already at school, they can come into school in their trainers and change into wellies before forest school. We are aware that some of the children have sports club after school, they can bring PE kit to change into at the end of the day.

The class will be spilt into two groups (group A & B) and each group will take part in a fortnightly two-hour session. The smaller group sizes allow for more complex forest school activities to take part. Those who are in the opposite group will work with the class teacher inside. **For the final week we take part in a class forest school lesson.**
