Foxglove Class Visit to Carymoor Environmental Centre

Tuesday 4th November 2025

Dear Parents and Carers,

As part of our Quest topic this term, "*What makes a happy and healthy community?*", Foxglove Class will be visiting Carymoor Environmental Centre on Tuesday 4th November 2025.

Carymoor is a fascinating nature reserve built on a former landfill site. During our visit, the children will explore how waste impacts the environment and discover the importance of the 3Rs – *Reduce, Reuse and Recycle*. Activities will include an interactive tour of the site, a look at how rubbish is transformed or recycled, and a creative workshop reusing everyday materials.

We will leave school at 9:00am and return in time for normal pick up at the end of the day.

The cost of the trip is £14.50, covering transport and the educational visit. Please provide payment and consent via Arbor.

Please ensure your child:

- Brings a packed lunch (if you would like a free school packed lunch, please let the office know in plenty of time)
- Wears a warm, waterproof jacket and suitable outdoor shoes, as we will be outside for much of the day.

We are really looking forward to an exciting and inspiring day of learning!

Kind regards,
Miss Craney and Mrs Sheppard
