03 March 2026

Dear Parents/Carers,

On Wednesday 29<sup>th</sup> April, Arum will be visiting Chew Valley Animal Farm to enhance our quest for the next term, where does food come from? It is a really exciting trip, and everyone has loved it previously. Let's hope for good weather!

The children will travel by coach to Chew Magna and we will be departing promptly so please make sure you are on time. We will be leaving the farm at 2 and so should be back in time for the end of the school day.

The children will need to wear their school t-shirt and fleece but should wear leggings, joggers or jeans instead of school trousers or skirt/dress. We would recommend your child wears trainers and if it is wet on the day we will change them into wellies. Your child will also need a lightweight waterproof coat, sunhat and suncream applied.

Your child will need at least one drink (in a screw top and no glass or fizzy drinks please), their snack and a packed lunch. Please put all of this in a backpack which your child will take with them and leave at our allocated place at the farm. Please do not give your child money as we will not be visiting the shop.

The cost of the trip is £21 which involves the cost of entry and transport. Please send this in via Arbor?

Please can you let us know if your child has travel sickness and if they need to take any medication for this.

Many thanks for your support.

Suzanne Cox & Laura Kendrew
