Dear Parent/Guardian

Wells Festival of Literature: Thursday 22nd October 2026

The Education Team at the Wells Festival of Literature have invited Year 6 to hear the author, Helen Rutter, talk about her life, how she became an author and her new book Game Changers.

This event will take place on Thursday 22nd October at Cedars Hall, Wells. Children will depart after the register and be back at school for lunch. We are very grateful to Wells Festival of Literature for fully funding the transport and the event.

During the event, there will be an opportunity to meet the author and to buy signed copies of Helen Rutter's books. There will be five titles for the children to choose from including the author's new book, The Game Changers. All the fiction books are available to buy at the much-reduced price of £2 (RRP £7.99) and the children can purchase as many titles as they wish. The Literature Festival are only able to sell books at these prices by significantly subsidising the cost, for which we are very grateful. Please consent to your child going on the trip through Arbor

The book titles and a description of the stories are on a document that will be sent separately. Please ensure your child has the money for any book purchases with them on the day in a secure purse or wallet. The Education Team at Wells Festival of Literature organise all the book sales and whilst they endeavour to have all the titles available on the day this may not always be possible. However, they are able to order more copies and deliver them to school within a few days.

Please rest assured that there is no pressure to make a purchase.

Yours sincerely,

Molly Craney
