Our school Vision

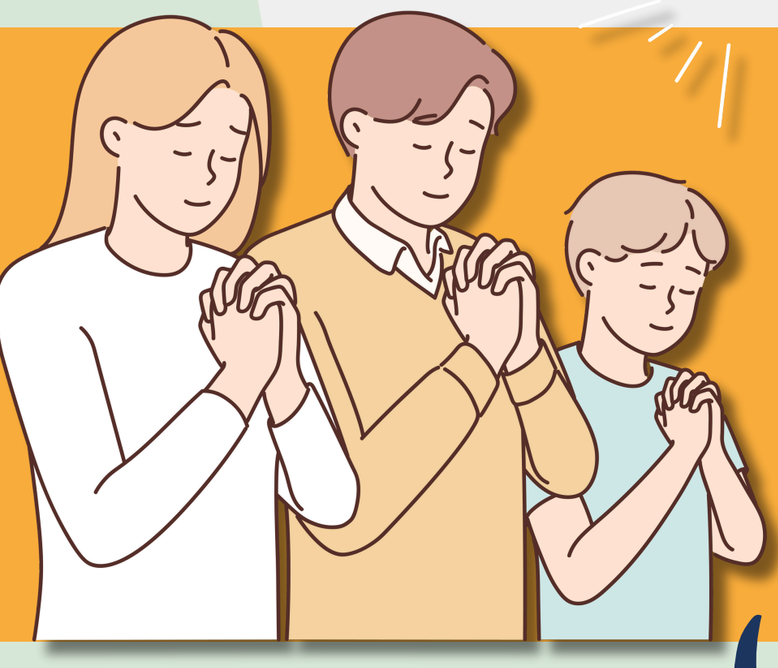

"He will cover you with his feathers and under his wings you will find refuge"
Psalm 91:4

What it means To Us

A refuge is a place of protection, a place of safety from a challenging world. This is our school and our churches. Psalm 91 conveys the message that if we live in God's community we may be safe and protected. We endeavour to create a safe community for all people and therefore one in which we can all have the ambition to be adventurous, connected and ethical, allowing all stakeholders to flourish as unique individuals and global citizens.

Our vision allows us to provide opportunities, both planned and unplanned, for children and adults to find the space for spirituality and wellbeing.

How it is Embedded

Our vision allows us to provide opportunities, both planned and unplanned, for children and adults to be spiritual and reflective learners

What you'll Notice

You will see daily collective worship, opportunities throughout the day to give thanks to God through prayer, opportunities to be reflective and spiritual. You will see children who have an understanding and tolerance of all faiths, children who have an awareness of Christianity as a global religion, children who are flourishing in their learning and personal development from the nursery onwards. You will see our 6 Christian values reflected in the things we say and do.
