With over 70 of our young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of EVERYONE at our school has been rewarded this year.

A special thanks to: all of the amazing staff who facilitate these opportunities, the parents for their wonderful support and most of all the children for always being team-spirited and #adventurous and representing SVSJ with pride.
