28 June 2023

Dear Parents/carers

SVSJ Day out @ Avon Valley Adventure & Wildlife Park
Thursday 29th June

We are really looking forward to our school trip to Avon Valley on Thursday and I'm really pleased that so many pupils are joining us.

There are just a few final instructions I would like to share to ensure a safe, successful day out for everyone. Please read carefully:

- Please ensure your child is in school in time for usual registration. The first coaches will leave at 9.30am. For safety reasons children are assigned to specific coaches – we *cannot* wait for pupils who are late
- Pupils **must** wear either their Forest School Hoodie (preferred) or SVSJ sweatshirt. As they will be walking and playing during the day, trainers/shorts/leggings are at your discretion
- Please consider the weather on the day and pack appropriately – sun protection/waterproof. The forecast currently looks perfect -but this is England!
- Pupils need a backpack for snacks/drinks/coats. We will have access to areas where these can be safely stored at the discretion of the supervising adult
- Pupils will NOT have any opportunity to spend money, please don't send them with any
- We aim to return to school by 5.30pm. We will keep you posted via the school app
- Please be aware that not all coaches will return at the same time. After children depart from the coach, they must be collected from classrooms as usual – please respect this, it is for the safety of all children

- Siblings will not necessarily be travelling together so please be prepared to wait in between returning coaches. We will share as much information as we can
- In the event of an ***emergency only*** where you need to contact the school, please use our mobile -07985789083

Our risk assessment for this trip will be available on the website.

Please let us know if you require any further information.

Yours sincerely

Chris Chorley
Headteacher
