READING RESPONSE ACTIVITIES

Non-Fiction – Years 5 & 6

Understand it! Can you find any words that are new to you? Find them in a dictionary or a glossary and write the word and the definition in your book. 	**Understand it!** Find at least six interesting words and write them in your book along with other words with the same root. *Eg. Telescope, telephone, television, etc.* 	**Find it!** Write the title, author, illustrator and publisher of this book.  
Find it! Write ten facts that you have learned from this book. 	**Summarise it!** Write a paragraph (about 50 words) to summarise what this book is about. 	**Think about it!** What other things would you like to know now that you have read this book? Write six questions. 

Complete these activities in your book. Keep track of which activities you have done by ticking them off.

Remember to do as many different activities as possible – don't always do the same one!
