How did the Stone age change Britain?

Make a model of Stonehenge out of biscuits. (Bourbon biscuits work well for this!)	Stone Age people did not understand numbers the same way we do, but they did make marks on their cave walls. Come up with a new way to record numbers.	Can you make a list of different ways to say hello from around the world?	Create your own Stone Age Quiz with cool Stone Age facts.
Research an animal from the Stone Age.		On google maps research different Iron age settlements near you.	Make a shoe box cave home.
Create your own poster to tell people how to stay safe online.	Create a piece of art using plants as the inspiration.	Write a recipe for a Stone Age dinner.	Write about what you would take back to the Stone Age if you could only take one thing.
