

Ancient Egyptian Creative Arts Theatre Day

Dear Dogwood grownups,

Apologies for the late notice but we have just been given an opportunity for an Ancient Egyptian creative arts theatre day. This event aims to enhance our students' learning of ancient history through an interactive and engaging theatrical experience. This will be led by the **Creative Arts Theatre** company and will take place on the **28th of April** in school.

To cover the costs associated, we kindly request a contribution of **£5 per child** which can be made via Arbor. This contribution will include theatrical performances and hands-on creative activities related to ancient Egyptian culture which is our quest this term. We believe that experiences like this play a crucial role in broadening our students' perspectives and fostering a love for learning.

We are looking forward to a day filled with creativity, learning, and fun as we delve into the wonders of Ancient Egyptian history through our Ancient Egyptian Creative Arts Theatre Day. Thank you for your continued support in enriching our students' educational experiences.

Should you have any queries or require further information, please feel free to contact the school office.

Thanks again,

Mr Sloggett
