Dear Parents and Carers,

We are excited to let you know that we will soon be using **Tapestry**, a secure online learning journal, to share the wonderful things your children are doing at school.

Tapestry has already been a great success in our Nursery, helping to capture and communicate the many moments of learning and development that take place. We are now delighted to be extending its use across the whole school.

This platform allows us to communicate with you more effectively about your child's learning journey, providing photos and moments of their learning in school. This will be in a very similar way to how our class pages on our website does, however in a more secure way. One of the key strengths of Tapestry is its security – all data is stored safely, and only you and authorised school staff will be able to access your child's journal.

We believe that Tapestry will further strengthen the partnership between home and school, allowing for more meaningful conversations and greater involvement in your child's education.

We have also decided to use Tapestry as a way of sending you invoices for any wraparound care requirements you may have, as we understand the Arbor system doesn't always detail what you are being charged for in a clear way, so we hope this will make things much simpler. Payments for the invoices will remain on Arbor as it used to be with ParentPay.

More information, including how to set up your account and access your child's profile, will be shared with you shortly. In the meantime, if you have any questions, please don't hesitate to get in touch.

You will receive an email from tapestry inviting you to activate your tapestry account which will then link to your child's tapestry journal. This will be using the email we have for you on Arbor. If you do not receive an email inviting you to activate your account, please let us know. If you already have a tapestry account from the nursery then your child will be added to your current account.

If you require any more information regarding Tapestry and its features, you can visit Tapestry's Parents and Carers area by scanning the QR code below.

Thank you for your continued support.

Yours sincerely,

Mr Chorley and Mrs Sheppard
