Dear Student/Parent

We are delighted to invite you and your family to our Open Evening to see what The Blue School has to offer.

For nearly four centuries, The Blue has been providing an outstanding education to students in and around Wells. We are very proud to continue to offer both high quality education and a breadth of choice to today's students. We recognise the importance of academic success and celebrate that alongside achievement in all areas such as sport, art and drama. We utilise cutting edge technology to equip our students for the challenges of the 21st century and aim to ensure that they have the skills and attributes that employers of the future will look for.

Above all, we believe that students should feel welcome, safe and happy in their school. Our key school values are respect, empathy and politeness and we ask our students to aspire to these in all aspects of their lives at The Blue.

We look forward to meeting you on the 1st October to show you all that life at The Blue can offer.

Yours faithfully

A handwritten signature in black ink, which appears to read 'M. Woodlock'. The signature is stylized with a large, sweeping loop at the end.

Mark Woodlock
Headteacher
